Subject: **Working on 500 KV Transmission Line Project**

I am Senior Quantity Engineer / Planning & Costing Engineer working at DHC. We DHC are the consultants which provide the services of (i) preparation of detailed design and assistance to WAPDA in biddings (ii) construction supervision.

I certify that **Shahbaz Zulifqar S/O Zulifqar Ali (Enrollment No. =03-298141-011) and Uzair Ahmad S/O Gulzar Ahmad (03-298132-025)** have worked on Scheduling and Planning of **CONTRACT: TL-500kV & Grid Station (ICB No.TL-01)** using Primavera. This project consists of Procurement, Design, Supply, Installation, and Testing & Commissioning of 500 KV Single Circuit Transmission Line from shiekupura to bhai phero.

Anwar-Zeb
Senior Quantity Engineer

Table of Contents

Chapter-1	Introduction	9
A.	Project Management	9
i.	Project Management Terms and Concepts	9
ii.	Project Definition	9
iii.	Resource Definition.....	9
iv.	Task Definition	10
v.	Schedule Definition.....	10
vi.	Risk Analysis and Risk Management	10
vii.	Schedule Risk	10
viii.	Cost Risk	11
ix.	Performance Risk	11
x.	Scope and Scope Creep.....	11
	Creep.....	12
	Scope Creep	12
xi.	Critical path	12
xii.	Longest path.....	12
xiv.	Estimating Project Duration and Costs	12
B.	Primavera	13
i.	Organization break down structure.....	13
a.	OBS in primavera	13
ii.	Enterprise Project Structure (EPS)	14
iii.	Baseline	15
a.	Baseline in primavera.....	15
a.	WBS in Primavera.....	17
vi.	Roles.....	18
a.	Role in primavera	18
vii.	Resources	19
viii.	Primary Resource	20
ix.	Resource Security.....	20
x.	Activity	20
xi.	Schedule.....	23
xii.	Earned Value	24

xvi. Thresholds.....	31
3. Baseline S-Curve.....	36
5. Target S-Curve.....	37
Chapter-2 Implementation of PM Techniques on Construction Industry	37
Introduction to project	38
Project charter	38
WAPDA.....	38
NESPAK.....	39
D. PM Practices Using.....	42
Primavera report.....	51
1. Activity and Gantt	51
2. WBS.....	55
3. Activity and WBS	55
4. Resource.....	56
5. Project Assignment	57
6. Tracking.....	57
7. Issues.....	58
8. Issue navigator	58
9. Risk	59
10. Activity usage profile.....	59
11. Resource usage spread sheet	60
12. Resource usage profile.....	60
REPORTS.....	61
Annexure.....	88
I. I cannot understand how to use the expense in the primavera?	88
II. I cannot understand how use the Top down estimation?.....	89
III. How define the resource planning and spending plan?	90
IV. What is spending plan tally and benefit plan tally in wbs.1?.....	91
V. How we calculate the earn value and show output?	92
VI. Not understand about the threshold?.....	93
VII. How add the impact of risk in primavera p6?.....	93
VIII. How define the progress line?	94
IX. How use the issue navigator?	95
