Department of Management Sciences

A thesis presented to Bahria University, Islamabad in partial fulfillment of the requirements for the degree of Master of Science in Project Management

August, 2016

TABLE OF CONTENTS

Chapter No. 1	1
1. Introduction	1
1.1 Background	5
1.2 Problem Statement	7
1.3 Objective of the Study	7
1.4 Significance of the Study	8
1.5 Scope of the Study	8
Chapter No. 2	9
2. Literature Review	9
2.1 Literature Gap	22
Chapter No. 3	23
3. Research Methodology	23
3.1 Target Population	23
3.2 Place of Study	23
3.3 Research Design	23
3.4 Sample Size	24
3.5 Sampling Techniques	25

3.6 Data Collection Sources.....	26
Chapter No. 4	27
4. Data Collection and Reliability	27
4.1 Sample Profile.....	27
4.3 Statistical Analysis.....	41
Chapter No 5	60
5. Findings, Conclusion and Suggessions.....	60
5.1 Findings.....	60
5.2 Conclusion	62
5.3 Suggestions / Recommendations	64
5.4 Limitations:	66
References.....	67
Appendix.....	A

List of Figures

Fig 1-1 Process Group Interaction in Phase or Project	2
Fig 4-1 Age of the Respondent in percentage	27
Fig 4-2 Gender of the Respondent in percentage	28
Fig 4-3 Qualification of the Respondent	28
Fig 4-4 Professional Experience of the Respondent	29
Fig 4-5 Amount of Finance availed by the Respondent	29
Fig 4-6 Amount of credit was sufficient to meet the requirement	30
Fig 4-7 Credit Facility Availed from PPCBL was necessary	31
Fig 4-8 Credit is fully utilized for Project Livestock Farming Goat and Sheep	31
Fig 4-9 PPCBL provide credit for Project Livestock Farming Goat and Sheep	32
4-10 did you encounter problem in repayment in case of funds not utilized for said purpose	33
Fig 4-11 It was easy to arrange money in order to adjust the loan	33
Fig 4-12 did not borrow money in order to adjust the loan	34
Fig 4-13 after availing the credit saving increased significantly	35
Fig 4-14 before availing the credit saving was stagnant	35
Fig 4-15 Credit help in expanding their business and profit	36
Fig 4-16 Expenses on education of the children increased	37
Fig 4-17 No. of Children going to school increased after credit	37
Fig 4-18 spent more on education of children after credit	38
Fig 4-19 Enroll children into better education institute after availing credit	38
Fig 4-20 Food consumption of the family increased after credit	39
Fig 4-21 Quality of food intake of the family increased after credit	39
Fig 4-22 Dining out/hoteling or fruit affordability increase after availing the credit	40
