CERTIFICATE

This is to certify that **MUHAMMAD HAMZA SULEMAN** has successfully completed the final year project work titled "ISLAMIC VS CONVENTIONAL BANKING & FINANCE" in partial fulfilment of requirement for the award of UNDER GRADUATION DEGREE IN "**BS ACCOUNTING & FINANCE**" given by BAHRIA UNIVERSITY, ISLAMABAD.

This project is the record of authentic work carried out during the academic year 2020.

ACKNOWLEDGEMENT

I am delighted to express my deep sense of gratitude to **Mam Saher Zeast** the supervisor of my final year project for her consistent support. I shall forever treasure my association with her for perennial approachability, freedom of thought.

I am also thankful to **Dr. Samreen Faheem**, HOD Management Sciences for his support and providing us with all the resources within the university which were essential in the completion of this project.

It gives me great pleasure to acknowledge appreciation to my parents for their substantial moral support, help, resources and encouragement in our studies.

ABSTRACT

NEED OF THE STUDY

1. This study provides a clear picture of differences between Islamic and conventional banking and finance.
2. This study is beneficial for those who are keen in learning the analysis and rational calculations and study practices of the two kinds of banks.
3. This study encourages and motivates kinds of people who seek to study difference between two kinds of banks and apply their findings in their real life.
