Acknowledgement

Above all, we express our gratitude and affection to Almighty "ALLAH", who sanctified us with energy, determination, knowledge and ability to work on this BUSINESS PLAN.

Working on this Business plan had been a nourishing experience. Working on this business plan has truly enhanced our pragmatic approach, learning-the goal was kept in mind at every step while working on the business plan.

We owe our deepest gratitude to Mr. Shahid J. Mirza and Mr. Tanveer Ahmad for their support and guidance in carrying out this business plan. We wish to express our gratitude to the officials of Bahira University Islamabad who rendered their help during the period of our business plan work. We acknowledge with thanks the kind of patronage, loving inspiration and timely guidance which we have received from Mr. Shahid J. Mirza and Mr. Tanveer Ahmad also for their encouragement, suggestion and very constructive criticism which let us evaluate our ideas to complete our business plan.

We also owe deepest gratitude to our course facilitator, Our supervisor Madam Sarina Shirazi for her supervision and kind guidance. Without her excellent leadership and availability of modern education facilities, we would have been unable to work on this plan.

We are very thankful to helpful minds of our friends and fellows; and our mothers, sisters and brothers who gave us courage to learn, work and to finish this Business plan willingly and with zeal.

MAY ALLAH BLESS ALL OF US
