requirements
for BSAF Degree

BS (ACCOUNTING & FINANCE)
FALL, 2019

Bahria University Karachi Campus

BSAF Project 2nd Half-Semester Progress Report & Project Approval Statement

Supervisor – Student Meeting Record

S#	Date	Place of Meeting	Topic Discussed	Signature of Student
1	17/Dec/19	Faculty-II	Chapter 3	M. Raza + S. Ali Owais
2	31/Dec/19	Faculty-II	Chapter 4	M. Raza + S. Ali Owais
3	2/Jan/19	Faculty-II	Final Checking of all Chap	M. Raza + S. Ali Owais

APPROVAL FOR EXAMINATION

Candidate's Name: Muhammad Raza

Registration No.: 42508

Candidate's Name: Syed Ali Owais

Registration No: 42227

Project Title:

I hereby certify that the above candidate's thesis has been completed to my satisfaction and, to my belief, its standard is appropriate for submission for examination. I have also conducted plagiarism test of this thesis using HEC prescribed software and found similarity index at _____ that is within the permissible limit set by the HEC for the MBA thesis. I have also found the thesis in a format recognized by the Department of Management Sciences.

Supervisor's Signature:

Date: 27-01-2020

Supervisor's Name:

Dr Akhtiar Ali

HoD's Signature:

Date: 30/1/2020

Declaration of Authentication

I, hereby, declare that no portion of the work referred to in this project has been submitted in support of any application for another degree or qualification of this university or any other institution of learning.

Student's Signature:

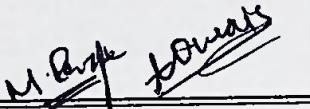

A handwritten signature in black ink, appearing to read "M. Parveen towards". The signature is written over a horizontal line.

Working on final year project was beneficial for us in terms of learning and applying what we studied throughout the program BS Accounting and Finance have been precisely applied in this project. This report would not have been possible without the graceful blessings of Almighty ALLAH. **Dr Akhtiar Ali** guided on subject and gave due attention and time.

Abstract

The objective of current research work is to test impact of gross fixed capital formation, trade openness, Population growth, net official development assistance on gross domestic product. The annual data on study variables taken from world bank database which was time series data from 1970 till 2018. For empirical evidence of statistically significant relationship appropriate statistical tool are used such as ARDL and bound test results provides consolidate evidences regarding the significance of long-run impact of population growth, gross fixed capital formation, official development assistance and trade openness on gross domestic product. The findings of study are important to academic award research and relevant of government authorities while designing policies when designing the policies in Pakistan for economic stability for long period.

Keywords:

Trade Openness, Population Growth and Gross Domestic Product.
