

Table of Contents

Chapter I.....	3
INTRODUCTION.....	3
1.1. Background of Problem:	3
1.2. Cyberloafing and Its Prevalence:	4
1.3. Procrastination:.....	5
1.4. Impact on Perceived Job Performance:.....	6
1.5. Aim of the Present Study:	7
1.6. Problem Statement:	8
1.7. Objectives of Research	8
1.8. Significance of Study:	8
Chapter II	9
LITERATURE REVIEW	9
2.1. Prevalence of Cyberloafing:.....	9
2.2. Influence of Internet Usage in Organisations:	10
2.3. Differing Views On Whether Cyberloafing Has Positive Or Negative Consequences:	11
2.4. Procrastination:.....	13
2.5. Work Procrastination:.....	13
2.6. Relationship between Procrastination and Cyberloafing:	15
2.7. Effect on Perceived Job Performance:.....	18
2.8. Research in Pakistan.....	19
Chapter III.....	22
RESEARCH METHODOLOGY	22
3.1. Research Design	22
3.2. Nature of the study.....	22
3.2.1. Explanatory research.....	23
3.3. Research Framework.....	23
3.4. Rationale for the current study and Research Hypotheses.....	24
3.5. Variables	25
3.6. Population and Sample Size.....	26
3.6.1. Sampling	27
3.6.2. Data Analysis Tools and Technique	27

3.6.3. Unit of Analysis	27
3.7. Tools of study	27
3.8. Ethical Considerations:	29
Chapter IV	30
DATA COLLECTION & ANALYSIS	30
4.1. RESULTS	30
4.1.1 Demographic results	30
4.1.2. Employment statistics:.....	33
4.1.3. Gender, Age and Job Position differences with Procrastination:.....	38
4.1.4. Gender, Age and Job Position differences with Cyberloafing behavior	39
4.1.5. Procrastination, cyberloafing and perceived job performance:	41
4.1.6. Reliability Test	42
4.1.7. Readiness for Inferential Statistics	42
4.1.8. Regression Results and Hypotheses:	44
4.1.9. Results of Hypotheses:	45
4.2. Discussion	46
4.3. Implications and Future Research Directions.....	51
4.4. Limitation and strengths:.....	53
Chapter V	55
5.1. Conclusion	55
5.2. Recommendations.....	56
Appendices A:	58
SURVEY QUESTIONNAIRE	58
Appendices: B.....	61
References	68
