Project Title: Impact of Financial Risk Management on Dividend policy of Commercial Banks in Pakistan

I certify that the above candidate's final year project (FYP) has been completed to my satisfaction and, to my belief, its standard is appropriate for submission for examination. I have also conducted a plagiarism test of this FYP using HEC-prescribed software and found a similarity index on page # vii within the permissible limit set by the HEC for the BS (A & F) FYP. I have also found the FYP in a format recognized by the Department of Management Sciences.
