Acknowledgement

I would like to express my deepest gratitude to my supervisor, **Sir Qaiser Abbas**, for his invaluable guidance, encouragement, and unwavering support throughout this journey. His expertise and insights have been instrumental in shaping the direction and quality of this work.

I am also profoundly grateful to **Bahria University** for providing an excellent academic environment and the resources necessary for the successful completion of this endeavor. The institution's commitment to fostering education and research has been a constant source of inspiration.

This work would not have been possible without the encouragement and support of both my supervisor and my university.

Thank you.
