## **ACKNOWLEDGEMENTS**

All praise be to Allah who Has enabled me to undertake and completed this dissertation. He Has blessed me with the company of people who are unique in their own way and have been of immense help to me throughout this dissertation. I must acknowledge the continuous motivation and prayers of my parents which are always there for helping me reach a major milestone of my life.

I would like to extend my heartiest gratitude to my supervisor, Mr. KHALID MUMTAZ. His extensive experience and support have been invaluable for me throughout the whole process of writing the thesis.

I would wish to thank my husband and kids for endless support and encouragement during my studies.

I wish to thank to my friends specially Dr. Sattar, Dr. Hafiz Mushtaq, and very special thanks to Ms. Rabia Khalid for their continuous motivation and support.

Lastly I would like to say thanks and profound gratitude to Mr. ShahzadBut and Mr. Adnan Akhtar who are always there to help me in out of the way even. Without their support and guidance this completion was not possible

**DEDICATION**

This dissertation is dedicated to my parents who have never forgotten me in their prayers.

## **ABSTRACT**

**This study explores the role of country as well as corporate governance in attracting foreign direct investment into a country. For this purpose the data from Pakistan is employed. Both the countries as well as corporate governance have been captured via indices that are developed on the basis of various mechanisms employed across the globe to gauge these variables. The multiple linear regression technique has been used as the econometric technique. The results show that the both the country as well as the corporate governance play a significant role in attracting foreign direct investment in Pakistan**
