ABSTRACT

Pakistan is on a continuous struggle to combat terrorism but past research highlights that terrorism has had devastating results on the FDI (Foreign direct investment) thus this research will explore various facets of how terrorism has affected FDI in Pakistan. Along with FDI other variables will also be taken into account.

Key words: Terrorism, FDI

DEDICATION

I would like to dedicate this research to my parents and friends without whom it wouldn't have been possible at all. Special thanks to my supervisor **Bilal Saeed** whose immense support made it worth it.
