Acknowledgement

In the name of Allah, who is Ubiquitous, Omniscient, worthy of all praise. Words are wholly inadequate to express my appreciation for my Parents whose support and encouragement and lot of prayers helped me and make me able to complete this research.

I am extremely grateful to my research supervisor **Madam Izza Khan Shehzad** for her continuous kind supervision, whose encouragement and support helped me a lot in carrying out the research work successfully.

I am really indebted to **Sir Kashir Asghar** and all those people who have contributed towards completion of my work. I want to thank all my well-wishers for their sincere support.
