## **Acknowledgment:**

First of all we would thank to ALLAH Almighty for making us able to reach at this stage of our educational life. We would also like to thank our supervisor Ms. Naureen A Ghaffar who provided us assistance for the achievement of our project. A special thanks to our families and friends who supported us at every step. The selection of project topic and availability of data relevant to the project was a big challenge for us. We would like to thank Mr. Junaid Younas Gohri (Vice president MCB Bank) and Mr. Syed Fawad Ali (Treasury Manager MCB financial division Lahore) for their assistance.

## **DEDICATION**

This project is dedicated to our beloved families and all our teachers who taught us throughout our educational career.

## **Abstract:**

The study is intended for the banking sector. Study specifically related with the financial performance analysis of the MCB bank. How MCB established their setup. How Bank reached at the peak position in the Banking industry of the Pakistan. Where there financial Performance of the MCB bank is analyzed as well as the SWOT analysis of the MCB bank is conducted under the umbrella and guidance of the horizontal analysis as well as the different sector ratio analysis which gives us the true picture and the position of MCB bank. Deposits are the life blood for any bank so there is a need to enhance deposits for smoothly ongoing banking departments operations. Where the problem was identified the recommendations are also established to overcome such problems.
