ACKNOWLEDGEMENTS

All praise to ALLAH for His blessing that continue to flow into my life, and because of ALLAH, I made this through against all odds.

With a great pleasure I would like to acknowledge the support, assistances and contribution made by individuals from the beginning of the fieldwork, providing me access, data and information, to the writing process until the completion of this thesis. First of all, I want to give thanks to my Supervisor Sir Osman Bin Saif for the access and for his guidance and support throughout this study, and especially for his confidence in me. I would also like to thank Naila Sardar Research Associate for her support and guidance needed during research.

To all my friends, thank you for your understanding and encouragement in my many, many moments of difficult situation and crisis. Your friendship makes my life a wonderful experience. I cannot list all the names here, but you are always on my mind. I would like to thank Mr Tabasum Hussain in a special way, I express my heartfelt gratefulness for his guide and support that I believed I learned from the best.

I am highly indebted to my principal supervisor Sir Osman Bin Saif from the Bahria Institute of Management sciences Islamabad.
