DEDICATION AND ACKNOWLEDGEMENT

This work is dedicated to Dr. Allama Muhammad Iqbal and to our parents and families for their continuous support.

Special thanks to Sir Abdur Rauf Khatana, Naeem Chaudhry, Amir Sohail, Malik Abdur Rehman and library staff of Lahore High Court Bar Library.

TITLE

Determining the dimension of the Iqbal's legal opinions in the light of his reported cases.

RESEARCH STATEMENT

Encompassing the possible dimensions of jurisprudence of Iqbal in the light of his reported cases appears to be an original work of its kind. Iqbal's legal opinions can off course help us in seeking solutions of the contemporary legal issues.

ABSTRACT

Jurisprudential and legal work of Dr. Muhammad Iqbal can be very helpful in understanding the legal issues and to find a reasonable solution for them. This can only be done by highlighting his efforts as an advocate as he assisted the courts in many cases. Some of his cases are reported in different magazines. By compiling and extracting the views of Dr. Muhammad Iqbal from those case, his jurisprudence can be established which can be very helpful. Mostly his poetic and philosophical work is highlighted by different writers and his efforts as an expert of law are being ignored.
