## **Acknowledgements**

First and foremost, I would like to pay my sincere gratitude to my supervisor, Ms. Zehra Rehman. It is only because of her continuous support, timeless efforts and patience that I am fortunate enough to accomplish the task of completing my research paper with full dedication. I would also thank my teachers for being there for my guidance and the Head of Department of Humanities and & Social Sciences for giving me an opportunity to broaden my horizons with such an immense experience.

My thanks also go to my parents, for their love and many years of support during my undergraduate studies that provided the foundation for this work.

In the end, I am most thankful to Allah Almighty for giving me strength and ability to complete this research paper and guiding me through it.
